

Formed in July 2025 at Arizona State University following years of artistic collaboration, the **Iridescence Piano Trio** brings together violinist Ramses Cid, cellist Xuehui (Michelle) Yu, and pianist Moyi Liu. Inspired by the colorful and ever-changing nature of iridescence, the ensemble is dedicated to exploring the rich spectrum of musical colors, emotions, and expressions through chamber music.

Since their formation, the trio has performed at Mirabella at ASU and Steinway & Sons Scottsdale, bringing vibrant musical experiences for their audiences. Expect to gain fresh perspectives of this beloved genre, which will highlight the individuality of each instrument, as well as the expressive unity of this exceptionally gifted and visionary trio.
